Mr. Thomas K. Latimer, Staff Director
Permanent Select Committee on
Intelligence
House of Representatives
Washington, D.C. 20515

Dear Tom:

I am returning the copy of the 16 August 1978 transcript of the House Permanent Select Committee on Intelligence Subcommittee on Evaluation on the subject of terrorism which Chairman Edward P. Boland forwarded to Admiral Turner on 31 August 1978. Corrections have been marked in pen and have been flagged by check marks in the margin.

I am also forwarding answers to the questions which were included in the transcript (pages 48-52 and pages 57-59) as well as the additional questions forwarded by Mr. Richard Giza on 22 September 1978.

It is the opinion of the Agency briefers involved that they cannot declassify their testimony, in whole or in part, without running the risk of being misleading or inaccurate. If there are portions of the transcript which the Committee believes would be useful in unclassified form, we will be pleased to review those portions of the transcript to determine whether or not they could properly be declassified.

Sincerely,

25X1

SIGNED

Frederick P. Hitz
